

Parol Vini S.r.l.

Moscato Provincia di Pavia IGT

Classification:

Typical Geographical Indication

Grapes:

Moscato

Lands:

The grapes benefit from a perfect microclimate, properly irrigated with clay soils.

Alcoholic degree:

7,5% in Vol.

Area of origin:

Province of Pavia, Lombardia Region - Northern Italy

Production technique:

The grapes are harvested in perfect ripeness. Cold must is brought to a temperature close to freezing. Fermentation occurs with natural sugars.

Sensory analysis:

Fresh, fragrant with aromas of fruity and honey. Rich in flavor, it maintains a balance between sweetness and richness.

Bottling:

It is bottled using the cold sterile microfiltration technique.

Pairings:

Perfect for sipping or as an aperitif, it blends nicely with fruit and cheese desserts. Serve at 8-10°C.
