

CASABACCICHETTO

CAMPO CRÈ

CABERNET FRANC

IGT Marca Trevigiana Cabernet Franc Red Wine

° 12,5 % Vol

15 °C

Cabernet Franc

Ponte di Piave, via Calderba

Low environmental impact integrated pest control as a replacement for systemic pesticides and chemical fertilizers. Leaf thinning is performed after bloom. We perform minimal hedging.

Cold pre-fermentation maceration at 13 °C. Cold fermentation at 22 °C for 7 days. A selection of the pressings is employed.

This wine reflects the terroir with its characteristic grassy aromas and notes of ripe berries. In the mouth it is dry and virile with a nice tannic finish.

It matches well with second course dishes and is excellent when paired with grilled meat.
